Move-In Information
If you are a freshmen planning on moving into the dorms and wish to bring your dorm baggage in addition to your Colorado luggage, please let me know no later than **Wednesday, August 1st**. In addition please let me know if you need accommodation on Wednesday, August 15th (after we return from CO) **as soon as possible**.

What to Bring
Clothing. While the elevation, river, and tree cover minimize August temperatures, students should pack clothing appropriate for summer activities. A good pair of hiking shoes or boots will go a long way. A light jacket or a hoodie may prove convenient for evening star observations as evening temperatures last year dropped into the 40s. One pair of "nice" clothes should be brought for the celebrations of our final evening before returning to Lawrence.

While we advise you to use your discretion in much of your clothing choice, we recommend the following be among any list of clothing:

- ❑ hiking appropriate / athletic footwear
- ❑ light jacket or hoodie
- ❑ hat
- ❑ swimwear
- ❑ one set of "nice" clothes

Other. Our accommodations provide bedding and towels. While we encourage students to pack light, other items to consider are:

- ❑ identification (driver's license, etc.) if you intend to fish
- ❑ sunscreen
- ❑ sunglasses
- ❑ necessary toiletries (soap, shampoo, toothbrush, toothpaste, etc.)
- ❑ art supplies [if you would like to use some of your free time to sketch, etc.]
